High scorers for the boys' game were "Boots" Carter, with 13 points, and Garland Doss with 11 points. Our girls won by a wide margin of 59-27. High scorers for the girls were Frankie Doss, with 27 points and Evelyn Ferguson with 20 points.

Our teams will meet Nelson County High School tomorrow night, here. After this game the F. B. L. A. is sponsoring a dance in the cafeteria for all A. H. S. students. REV. NORFLEET U.D.C. SPEAKER ON GEN. LEE

(Continued from Page One)

the first building to be constructed after Lee became president. Services were held in the chapel daily, excepting Sundays. Services were conducted each morning, by rotating the four ministers of the town. The students were urged to attend the church of their choice on Sundays.

Lee devoted the declining years of his life to the education and spiritual development of youth. He might have chosen other paths, including profitable positions. Still he could have became a political leader. Instead, he chose the way he thought providence led him. He was once quoted as having said, "No day should begin without thanksgiving to God and asking for His guidance."

Lee said, "In the presence of God, I believe I have never known one moment of bitterness or resentment."

In closing, the speaker said, "Lee must have loved not only his soldiers but his enemies as well. Such love and vision must have been glorious and at the same time agonizing. To hate and to fight is natural, but to fight without resentment requires the grace of God. The world has had many great military men but few who have recognized that power was not a sufficient answer to the problems of the world. That the final answer lay in truth and in love as revealed in Christ Jesus, our Lord."

Mrs. E. Carroll Smith, President of the Chapter presided at the dinner meeting and at a brief business meeting afterwards.

BOY'S ALERTNESS IS REWARDED

Sutton, N. C.- Kenneth Thorne, 10, whose alertness averted a possible train wreck, received a shiny new bike and a $100 savings bond at Christmas. When the click-clack of the rails didn't ring true to Kenneth's ears when the eastbound mail train roared through here recently, he investigated and found a broken rail. With the westbound train due in minutes, the boy ran a quarter of a mile to alert a brakeman. The engineer was ordered by radio to stop his train. The bicycle and the bond came from Great Northern Railway President, John M. Rudd.

IN MEMORIAM

In loving memory of my husband and our daddy, Elam O. Jarrell, who passed away six years ago, Jan. 29, 1950.

He has gone across the river,
To the shores of ever green;
And we long to see his dear face,
But the river flows between.

Some day, some time our eyes shall see,
The face we loved so well,
Some day we'll clasp his loving hand,
And never say farewell.

—Sadly missed by Wife, Children and Grandchildren. (1tp)

Seventh-day Adventist Program
A special contribution to the development of religious television will be made Saturday by members of the Seventh - day Adventist church. The fund will go toward meeting a new filmed program series for the "Faith for Today" television seen nationally and sponsored by the church.

This month the program is making a switch from a five-year live programming schedule to the use of R. L. Dudley, pastor, said. The problems of providing kinescopes to 130 stations carrying the program will be eased by using film, he explained.

The denominational program is designed especially to reach the unchurched, Pastor Dudley pointed out. Its format is that of a modern-day parable — everyday problems dramatized and met with solutions from the Bible.

"Faith for Today" is seen here every Sunday at 12:00 on channel 10, station WSLS-TV.
